

Supervision Policy

Introduction

This policy was originally formulated in 2017. It applies to all staff and children during school hours, break times, and on all school related activities.

Rationale

The rules for National Schools 121(4) and 124(1) obliges teachers to take all reasonable precautions to ensure the safety of pupils and to participate in supervising pupils during school time and during all school related activities.

Legislation such as the Health Safety and Welfare at Work Act and recent Court judgments have placed a "duty of care" and accountability on schools that must be underpinned by a policy covering all possible eventualities.

Relationship to the Characteristic Ethos of the School

This policy is in keeping with the school ethos of providing a safe and secure environment for learning for all pupils and the wider school community.

Aims and Objectives

- To develop a framework that effectively ensures, as far as is practicable, the safety of children while at play on the yard or while engaged in school related activities
- To observe and monitor behavioural patterns outside the confines of the classroom
- To contribute to effective school management and comply with relevant legislation.

School Procedures

- All teachers in this school are assigned supervision duties.
- It is the policy of the school to supervise the school yard at all times during regular lunch breaks i.e. 10.10am to 10.20am, 12.00pm to 12.25pm. Teachers assume a duty of care at 8.45am. The Board of Management informs parents that the school does not accept responsibility for pupils dropped off earlier than 8.45am
- A Rota for supervision is drawn up by a post holder in consultation with Principal/staff and this Rota is displayed on the staff room notice board.
- Rules of the school yard are reviewed and revised continually and communicated to children regularly.
- Teachers on yard duty remain with the classes until the class teacher returns from break. Teachers taking a course day can swap supervision duties with a willing colleague. If a teacher is unexpectedly absent a volunteer colleague will assume his/her duties in a reciprocal arrangement
- All Special Needs Assistants are on duty during lunch breaks. While these Assistants provide individual supervision for designated Special Needs children, they can act in an observing and reporting capacity, bringing instances of misbehaviour to the attention of the teacher on yard duty. The schools Positive Behaviour policy covers incidents of misbehaviour.
- Children with injuries/complaints are dealt with directly by the teacher on yard duty. Children needing First Aid are brought into the school office. The Principal and/or the Deputy Principal are on duty in the office every day.
- First Aid boxes and Accident Report books are kept as a matter of procedure. All accidents where there is injury involved should be noted in the Accident Report Book by the teachers on supervision or by the relevant class teacher. Where

teachers suspect that a child is unwell parents are alerted, usually by phone. Text messages are sent to parents of any child who receives a head injury.

- If children remain uncollected after 2.25pm, the school always ensures that a duty of care is provided until a parent/guardian calls.
- At all other times each teacher is responsible for the supervision of all children under their care.
- *The Principal and Deputy Principal supervise the playground for the twenty minutes preceding admission time each day. This is done without prejudice, as the school does not officially take responsibility for children before admission time.*
- At dismissal time in the evening the Principal and Deputy Principal supervise the outside of the school, to see children safely off the premises. No supervision is provided outside the school gate.
- Unless unavoidable, teachers should never leave their classroom unsupervised.

Special Provisions

- a) Out of school activities such as games, swimming, tours, back up provisions are put in place to ensure adequate levels of supervision are put in place. The level of supervision is usually one adult per 15 children with individual teachers in charge of specific groups
- b) If a teacher is called from his/her classroom to meet with a parent, another member of staff may be released to cover. However, it is school policy to request parents to make appointments for outside teaching hours.
- c) On wet days children remain in their classes and one teacher supervises two classes.
- d) When visiting teachers such as P.E., Music, Language, take over a class, the school encourages teachers to maintain a presence. Neither SNA'S or pupils are left in sole charge of a class
- e) The school Safety Statement lists all hazards on the school yard and supervisors are accordingly briefed
- f) Parents may request that their children be allowed leave during the school day for Health appointments etc Children need to be signed in and out at the school office.
