2. Characteristic Spirit and General Objectives of the School

Educate Together schools are committed to the values laid down in Educate Together's Charter. Our schools are learner-centred, equality-based, co-educational and democratically-run. This means that all members of the school community, whatever their social, cultural or belief background, work together in an atmosphere of dignity and respect. Students follow an Ethical Education curriculum, learning about morality and spirituality; equality and justice; belief systems and an ethical approach to the environment. This teaches students about different belief systems as well as atheism, agnosticism and humanism, without promoting any one worldview over another. Our equality-based ethos informs all policies and practices in the daily life of the school. In exercising this ethos, policy making and decision-making responsibilities, the school's Manager/Board of Management upholds the characteristic spirit of the school.

Educate Together schools provide for equality of access and a child/learner centred approach in line with the Educate Together Charter. They prioritise offering places to siblings of children in the school at the same time.

The definition of a sibling in this policy includes step siblings, adopted siblings and foster siblings who are enrolled in the school at the same time.
